***Pray: Don't forget the power of prayer. It doesn't cost a penny to pray and you can do it anywhere, anytime.**

Prayer is simply speaking directly to God. Ask God in your own words to please put an end to the violent confrontation and killing around the world, especially Ukraine at this time. Ask God to please continue bringing people together of all walks of life to help each other. Ask God to give strength and courage to those who are suffering, that they may feel His love and the love of the world. Together, we will get through this!
